

The Mary Sumner Deanery Lunch held on 9<sup>th</sup> August in The Falcon was a very pleasant occasion. 47 members from the Deanery enjoyed good food and company with Canon Bryan Witt as the Guest speaker. A date has already been booked for next year - hope you will join us.

In September members met for a celebration of Holy Communion, followed by programme planning for 2020. During our members' evening for the October meeting we heard from Margaret about her fountain pen and its associations with her career; Mair told us about a memorable stay in Guernsey; Huw spoke about the flight he and Jean experienced on Concorde; Elizabeth showed us the book her mother had given her which helped her on her Christian journey; and Jean showed us a model sailing ship which was a memento of her experience in Lisbon on an exchange visit as a teacher. These all brought forth much discussion and we look forward to another such evening when it can be fitted into our branch's busy calendar.

### **Dates for your diary**
